

## If you need special equipment added to your trailer, we're here to help!

Fontaine understands that there are applications that require special features, options and equipment that are not available on "stock" trailers. To help customers with these special applications, we developed a streamline program to get the job done: Fontaine Select. This exciting new service is available exclusively through your local Fontaine dealer.

Following is a short list of the many services we offer:

- Special tires and wheels
- Tire inflation systems
- Pintle hooks
- Dunnage boxes
- Winches and straps
- Fork lift kits
- Rear ramps
- Oil Field options
- Suspension lift kits
- Weigh scales
- And so much more...

Visit your Fontaine dealer today for the details!
